

Lens

Contemporary circular luminaire with a halo effect back light creating a touch of style to interior applications

Lens is a stylish range of circular polycarbonate luminaires available in mains and integral emergency versions.

Supplied as standard with an opal base, white straight sided clip-on metal trim and an opal diffuser. Lens luminaires offer a comprehensive range of options including a prismatic diffuser, with alternative clip-on trims which can be specified as curved or straight sided in white, brass, chrome or black chrome.

Lens with white straight trim

The optional choice of blue, green or red halo effects allows you to specify this luminaire to meet your exact requirements where a specific colour theme is required, enhancing any installation.

Lens is now available with a stylish broad deluxe trim in all colour options.

Lens with brass curved trim
