Cadiz

Practical emergency bulkhead for interior use with clip-fit diffuser

Cadiz is the perfect solution to emergency lighting needs in all interior applications where a clip-fit diffuser is acceptable.

Cadiz is designed for rapid and easy installation with a hinged, clip-out steel gear tray with pre-formed centre rear besa entry with fixing holes. The body of the luminaire is injection moulded polycarbonate, along with the diffuser, which incorporates etched areas to partially obscure the lamp from view.

Robust, low cost, fast to install, easy to clean and maintain, Cadiz is an ideal product for offices, retail outlets and similar premises, particularly where cost is critical but a reliable and an efficient product is required.

The Cadiz semi-recessing trim provides a neat surround to this product and is available in white, brass or chrome.

Cadiz surface mounted

Cadiz semi-recessed with white trim

Emergency Luminaires

Cat No.		Mode/Lamp	Lumens*	Kg
CAD8/NM3		NM3 8W 300mm	80E	1.20
			120S	
			180H
