

Retz

A decorative curved single and double sided exit sign

The Retz is a superbly designed low profile exit sign which can be confidently specified for most prestigious installations.

The elegant design of Retz utilises an attractive curved fascia which is supplied in white finish as standard with silver grey, brass and chrome finishes providing a comprehensive range of options.

The Retz can be used as a mains luminaire, or self contained 3 hour emergency luminaire in either maintained or non-maintained mode.

Available as a single or double sided exit sign, this comprehensive range of luxurious emergency luminaires can be specified for projects where both matching single and double sided exit signs are required to compliment each other.

The Retz can be supplied with integral self-test emergency and for use with intelligent addressable emergency systems.
